Preventing terrorism is a community effort. By learning what to look for, you can make a positive contribution in the fight against terrorism. The partnership between the community and law enforcement is *essential* to the success of anti-terrorism efforts.

Some of the activities, taken individually, could be innocent and must be examined by law enforcement professionals in a larger context to determine whether there is a basis to investigate. The activities outlined on this handout are by no means all-inclusive but have been compiled from a review of terrorist events over several years.

IT IS IMPORTANT TO REMEMBER THAT JUST BECAUSE A PERSON'S SPEECH, ACTIONS, BELIEFS, APPEARANCE, OR WAY OF LIFE IS **DIFFERENT**; IT DOES NOT MEAN THAT PERSON IS **SUSPICIOUS**.

Some of the indicators listed above are, by themselves, lawful conduct or behavior and may also constitute the exercise of rights guaranteed by the U.S. Constitution. In addition, there may be a wholly innocent explanation for conduct or behavior that appears suspicious in nature. For this reason, the totality of behavioral indicators and other relevant circumstances should be evaluated when considering any law enforcement response or action.
