

STATEWIDE **TERRORISM ANALYSIS & CRIME CENTER**

24/7/365 OPERATIONS

844-55-STACC or STACC@dps.ohio.gov

WHAT IS THE STACC?

As Ohio's primary fusion center, the STACC facilitates the gathering, analysis and sharing of critical information in a timely and effective manner. It operates 24/7, providing first responders, private sector managers and other partners with quick, accurate, actionable intelligence and information.

WHY DOES THE STACC MATTER TO YOU?

In coordination with the Ohio Fusion Center Network, the STACC provides free 24/7 comprehensive counter-terrorism and criminal intelligence support, assistance in long-term or large-scale cases, as well as real-time traffic stop or crash support.

The STACC aids with requests regarding school and workplace violence, threats to state-owned property and employees and terrorist activity or threats to Ohio. Information or assistance can be requested by calling toll-free 844-55-STACC or by email STACC@dps.ohio.gov.

WHAT DOES THE STACC DO?

- Analysis and reporting of criminal and terrorism-related information and activity.
- Dissemination of officer safety reports and awareness bulletins.
- Security and threat assessments for special events and dignitary visits.
- Case support and real-time assistance with phone number and record searches, law enforcement record checks and open source information analysis.
- Link charts, pharmacy history, timelines and financial analysis.
- Assistance to law enforcement and school districts regarding violence and bullying incidents, and threats to students, faculty or schools.
